Description

Boating meets sport meets art with the Nor-Tech 450 Sport. The sleek, sweeping lines of this machine are just the start of watching heads turn. The clean, streamlined construction make this 45-foot boat look even bigger.

Add quad or quint Mercury motors, and the power will magnetize you to hop on board. In fact, everyone will want to be aboard the 450 Sport, and there's plenty of room and luxurious creature comforts — including a wraparound sofa and wet-bar. As with every Nor-Tech, the 450 Sport is put through a rigorous sea trial to ensure quality control.

An amazing boat loaded, including custom paint!
