Description

BACK ON THE MARKET!

If you are looking for a snowflake of a 35 Fountain, you have found it.

This is a 2-owner boat, with only 200 hours on MerCruiser 496HO engines with Bravo XR drives. The current owner loves the boat but is moving into a larger cruiser.

The 35 Fountain is the boat that essentially started it all for the legendary builder. The twin step Lightning is nimble and fast.

With the 496HO package you have closed cooling, so raw water never sees the inside of the block. The boat is also equipped with freshwater flush to easily keep the exhaust system free of salt water after each use. Finally, the engines are capped off with external mufflers for polite dock manners.

The engines had the cool fuel modules changed, new fuel rails, and 16 new injectors replaced 50 hours ago.

The boat has impressive performance for the 496 package and boasts outstanding economy as a result of the efficiency of the award-winning hull.

Features include:

- Cockpit Cover
- Full Cover
- Kenwood Stereo
- Compass
- Refrigerator
- Vacu-flush marine head
- Transom shower
- Monster Gauges
- Painted Dash
- Garmin plotter GPS Map 741
- Depth Gauge

If you're looking for a clean 35 Fountain owned by a passionate Fountain fan, with low hours on a MYCO trailer, give us a call to set up a showing or to make an offer.
