## Description

The Fountain 29 Fever is as at home on the local lake as it is offshore, with an aggressive deadrise to provide a smooth ride, and predictable handling.

This is a new style Fever, featuring the wrap-around windshield.

This boat is a FRESHWATER boat, featuring the reliable MerCruiser 496HO with 330 hours. Even though it is a freshwater boat, after each use the engine was run on a hose, and the boat completely washed up before being put away. The boat is in OUTSTANDING condition.

If you're looking for a clean freshwater Fountain Powerboat, this may well be the boat for you.

Contact us for more information on this timeless beauty.

## **Manufacturer Provided Description**

The 29' runs over 72+ mph with an affordable, reliable and economical-to-operate 500 EFI. Perfectly balanced, the boat planes quickly and you can anticipate eye-watering throttle response throughout the entire performance curve. The perfect mix, the 29' is nimble enough for lakes and solid enough for offshore use.

## **Engine Notes**

Twin 350 MPI Mercurys with Bravo One drives also available.
