Model	17 HPX-V
Length	16' 9
Engines	1
HP	90
Engine Hours	0
Stock Number	N55395
Inventory Status	Available

Since its introduction, the 17 HPX-V has been the measuring stick for every technical poling skiff. Deadly quiet, precise on the pole and with an open water running capability that never ceases to amaze, this skiff is the choice of anglers who demand complete performance in the toughest and most technically challenging poling situations. Now with a new deck layout, the 17 HPX-V II has more storage that is even drier and easier to access. Plus, the hull is now lighter and even better balanced to perfectly match everything from a F70 to a F115. The best just got better.
