Description

There is no better feeling than being on the water fishing or cruising with family and friends. The Parker Sport Cabin provides shelter from the wind, rain, sun, and the changing seasons. Step inside the cabin, open the windows and cool off or close them and warm up. Better yet, open the forward hatch and take a nap on the forward birth. Built on the proven Deep-V Parker hull, that provides a soft, dry ride and its large versatile cockpit the Parker Sport Cabin sets the standard for all who try and follow. The cockpit can be optioned as a hardcore offshore fishing boat or a family cruising boat with the optional cockpit lounge seat and sunshade.
